L'ATELIER MOBILE FRAGRANCE BAR

A bespoke fragrance bar, curated for your event.

Stephanie Culen, The Sommelier-Perfumer, curates three, four or six fragrances from the Après Fragrance library, paired to your event's wines, menu, mood or place. Each is a finished, balanced fragrance. Guests choose the one they love or blend at the table, and every bottle is filled on-site and labeled for your event.

CORPORATE EVENTS · RETREATS · WINERIES · WEDDINGS · PRIVATE CELEBRATIONS

HOW IT WORKS

- About an hour to set up and an hour to break down.
- Indoors or out. No outdoor requirements; Stephanie brings her own tent.
- Travel within Sonoma County is included. Travel elsewhere, events above 150 guests and destination events are quoted with the inquiry.
- The bottle count is confirmed 14 days before the event.
